Community Garden Open Day - Sunday 10th July 2022

Back in early Spring, we opened out our Polytunnel and the surrounding area to the Partney Community and they have transformed it into a wonderful community garden growing all types of fruit and veg for the village. We also have hens in the back, who are close to laying eggs very soon! You are all invited to see this wonderful transformation on Sunday 10th July (see the attached poster as well).
