After you have shared the story While We Can’t Hug have a look at this story. It is really good to have a nice hug from people close to us. Hedgehog and Tortoise like a hug. Discuss the story and compare it with the first story.

Now look at the information power-points about hedgehogs and then try some of the activities. Perhaps you could write an information leaflet or poster about them, or find out about tortoises. Then make some models or draw pictures and send photos to us 😊
Hedgehog was feeling sad.
As sad as a hedgehog can feel.
So sad only one thing could help.
‘Please may I have a hug?’ asked Hedgehog.
‘I’d love to’ replied Fox, ‘but I’ve just got to knock over that bin.’
CRASH! BANG!
SPLAT! CRASH! BANG!
'Might you give me just a small hug?' begged Hedgehog.
‘Perhaps after I sing my song.’ replied Magpie, ‘which is quite long.’
'Now I am even more sad' said Hedgehog. 'Will I ever find someone to hug?'
And that's when . . .
And that’s when ...
... they met!
... they met!
