

Hello Class 2!

I hope you that you are all enjoying the snow and having lots of fun.

While you are enjoying the snow, I would like you to complete one of the following tasks so that we can make a snowy display when we all return:

- Keep a diary of what you have been doing in the snow and write all about it.
- Look outside of your window and write a description of what you can see.
- Write a story with a snowy theme.

Remember to include lots of adjectives, adverbs, fronted adverbials (Y4), conjunctions and different sentence openers.

To continue practising your maths, please challenge yourself with times tables.
The important part is to know their division facts e.g. $12 \div 3 = 4$.

Here is a link to some fun games that you can play:

<https://www.topmarks.co.uk/maths-games/7-11-years/times-tables>

Thank you and enjoy!

Miss Hooke
