

PE & Sport Premium Action Plan 2020/21

Support for review and reflection - considering the 5 key indicators from DfE, what development needs are a priority for your setting and your students now and why? Use the space below to reflect on previous spend, identify current need and priorities for the future.

Key achievements to date:	Context of areas for further improvement and baseline evidence of need:
<ol style="list-style-type: none"> 1. We have built up good participation, knowledge, curriculum coverage and mentoring. 2. We have developed PE assessment across the school. 3. We have become more aware of the link between personal success in PE and self-esteem/performance in the classroom. 	<ol style="list-style-type: none"> 1. Well being questionnaires show that our older learners (year 5 and 6) have a below average self-esteem, positive outlook and sense of achievement. We want to find ways (although there are barriers with COVID restrictions) to improve this self esteem by engaging and motivating for personal improvement. Targeting the older learners should also prove successful with the younger learners. 2. Working with a new provider will give us a chance to further improve knowledge and skills amongst staff and supporting TAs. 3. New provider will work with us to maximise activity and participation within the school.

Meeting national curriculum requirements for swimming and water safety	Please complete all of the below:
What percentage of your Year 6 pupils could swim competently, confidently and proficiently over a distance of at least 25 metres when they left your primary school at the end of last academic year?	COVID lockdown prevented us from acquiring this data
What percentage of your Year 6 pupils could use a range of strokes effectively [for example, front crawl, backstroke and breaststroke] when they left your primary school at the end of last academic year?	
What percentage of your Year 6 pupils could perform safe self-rescue in different water-based situations when they left your primary school at the end of last academic year?	
Schoolscanchoosetouse thePrimaryPEandSportPremiumtoprovideadditionalprovisionforswimming but this must be for activity over and above the national curriculum requirements. Have you used it in this way?	

Whole School Impact of the PE & Sport Premium Funding

Our PE and Sport Premium plans and key actions have become embedded within, inform, and support the achievement of our whole school Vision and Priorities identified within our Whole School Improvement Plan.

This ensures the most effective, sustainable use of the funding with PE and School Sport becoming a tool for whole school impact, outcomes and improvement.
